## From the Principal

Dear Foley Family,

Every year the staff that walk our halls take up their vocation for one reason above all others: opportunity. At BFC, we have an opportunity that is not seen anywhere else – not in public school, nor in any of our competitors. It is the opportunity to shape the direction of our school, the content of our coursework, and the formation of our faith like no one else. Only Foley has the absolute freedom to create high-level courses that appeal to student interests and provide relevance for after high school. Only Foley has the ability to put our faith forward in everything we do, creating joyful missionary disciples of our students who will carry forth the flag of the faith and proclaim it beyond our walls. Only Foley can celebrate the variety of student interests with expansive extra-curricular programs, championship athletics and a constantly evolving course catalog.

The opportunity that Bishop Foley grants to its students is a promise – we pledge to prepare students for a world beyond high school in which they are able to succeed in school and the workplace, as well as remain strong followers of Jesus Christ. With our devoted Mission and Ministry department, our wonderful teachers, and the prayerful guidance of our Spiritual Director, Father Tony Richter, students are able to have both their faith and minds flourish over their four years under our roof. There are high schools all over the area, but bricks and books do not have the lifelong effect that faith and family cement in – that is why Foley stands apart.

Fifty years ago, our first senior class entered the doors, just as the 2019 Seniors do today. Fifty years of preparing graduates for this truly is a wonderful time to be a member of the Foley Family. Whether you are past, present, or future Ventures, we are proud to have you as a part of this journey.

Yours in Christ,

Frank Accavitti III  
Principal

## Admissions

Hello to my new Foley Family! I am Audrey Sharp, the new Admissions Director, and I am excited to start this new adVENTURE! So far, I have enjoyed meeting the staff and current students here at Foley. They have been so welcoming and have made it an easy transition. In the fall, I will be meeting with potential students at various High School Information Nights, shadow visits, and events held on campus! At BFC, we will be hosting the annual Open House and the Foley Experience for those interested in learning about all Foley has to offer! These events bring in hundreds of visitors each year! We would love to see you there if you have children of your own or relatives who will be entering high school soon and may be considering Foley.

With all of our events, we want to demonstrate to our prospective students that Bishop Foley is a school where they can grow in faith, achieve academic success, and build lasting relationships! We truly are a Foley Family and we appreciate all of our alumni support!

Lord's blessings,

Audrey Sharp  
Admissions Director

## Vice President for Advancement

Bishop Foley Catholic High School is in full swing and as we enter this Thanksgiving season we are fully aware of how blessed we are to have students that are eager to achieve, grow, and thrive with each school day. They are hard at work understanding their classroom material; some are participating in sports, while others are getting to know their new classmates. We are confident that we are providing an education that is **Undeniably Catholic, Academically Excellent!**

This all occurs because of our devoted faculty, supportive parents, loyal alumni and friends of Foley. Bishop Foley would not be in any position to offer a rigorous college preparatory curriculum, small class sizes, championship sports teams, extraordinary fine arts opportunities, an award winning robotics program and a strong Catholic identity without YOU. Our students deserve an education that will give them full advantages in life.

A strong Annual Fund is essential for our continued success. Last year's fund was stretched to install a new roof over the media center, repair the gym roof, purchase classroom and individual Creative Cloud software for faculty and students, interior painting, install new security cameras throughout the facility, as well as re-keying the entire facility and more importantly providing scholarships and financial support to students who would otherwise be unable to attend Bishop Foley Catholic.

As you consider your donation, please know that our tuition does not cover the actual cost of educating a student. Bishop Foley Catholic stands alone, without parish, AOD or order financial support of our school. This is why we need YOU. Please use the enclosed envelope to give to the BFC Annual Fund.

On behalf of the entire Bishop Foley Community, thank you for your spirit of generosity. Your commitment at any level remains a vote of confidence in our efforts to provide the very best Catholic education for our young men and women.

With a grateful heart,

Amy Uebbing  
Vice President for Advancement

## ELEVATOR PASSES ON SALE NOW RISE UP CAMPAIGN

We are launching the Rise Up elevator campaign. We are a 53 year old, two story, building. When BFC was built an elevator was not required and was not installed. Each year many students undergo surgeries or sustain injuries that prohibit them from going up two flights of stairs to the second level for classes. For several weeks these students remain in the media center during class periods and miss out on valuable in class interactions. If a student is wheelchair bound this problem becomes more of a learning barrier.

Please help us to do God's work and welcome all students to learn and grow within the walls of Bishop Foley Catholic. Our goal is to raise enough funds to install an elevator during the summer of 2019.

### Elevator Pass Levels:

<b>Going Up Donor</b>	<b>\$25- \$250</b>
<b>Rooftop Donor</b>	<b>\$250 - \$1000</b>
<b>The Sky's the Limit</b>	<b>\$1,000 -</b>

If you are interested in purchasing an elevator pass please send your donation to:

# GRANDPARENTS' DAY

## May 2018

On Tuesday, May 22, 2018, Bishop Foley Catholic once again hosted its annual "Grandparents' Day". This event is something that the wonderful grandparents in our community have come to look forward to. This year, nearly 200 grandparents joined us for this special day! The day began with mass with their grandchild or grandchildren, where donors from our Grandparents Society (Sts. Joachim & Anne) were honored. After mass, grandparents and students had the opportunity to have a professional photo taken by alumna Kelly Scaccia ('92). This photo was printed for them onsite so that they could take it with them that day. There was also time for food and fellowship with their grandchildren, as grandparents were treated to a continental breakfast, and most important of all, Foley cookies!

Bishop Foley Catholic will host it's 2019 Grandparents' Day on Tuesday, May 21. Plans are already underway for this highly anticipated event, and all at the school look forward to once again celebrating the grandparents who help influence the lives of our fantastic students! ♦

# HOMECOMING 2018

The BFC campus was full of alumni, retired faculty, and current families at Homecoming on October 5th! The annual event began with Venture-gating in the beer tent, where alumni could reconnect while listening to the music provided by Coach Berney Gonzales and Eric Swanson ('98). This year, the duo added two more musicians to their line up. Current teacher, and Foley alumna Nicole Murley ('12) added percussion, while Joe Sade ('71) traveled all the way from the Upper Peninsula to add lead guitar to the band.

This year, alumni could venture over to the football game via the "Alumni Only Entrance" near the field house. Each person received a football/poncho giveaway courtesy of alumnus Tom Nihra ('84). During the game, people mingled their way through the Alumni VIP area, and Vintage Venture sale, where there were vintage uniforms, a guessing game, pictures, snacks and Alumni Board members ready to greet them.

Along with the excitement of the Homecoming court during Half-time, there was also recognition for the alumni Girls Soccer Program and the annual photo on the field. The game ended with a victory for the Ventures over Cardinal Mooney! After the game, the beer tent re-opened, along with music from DJ Nick Kaczmar ('86). It is always wonderful to see so many alumni back at BFC! ♦

## 2018 Distinguished Alumni Award Winner - Kathy Losinski ('72)

When I walked into Bishop Foley High School in 1968, my graduating class—the Class of '72—made the school complete. That was the first year that Bishop Foley enrolled students in grades 9 through 12. Not only did we complete the school, but in some ways, the school completed me. That first day, I was a very shy 13 year old who knew one other person in the school. I felt welcomed by my fellow classmates and it was not long before I learned that joining in after school activities was the best way to get to know other people and make friends. I worked on the Homecoming planning committee. I joined the French Club, the Math Club; I tried out for the play and worked stage crew. I even joined the JCL (Latin Club) in spite of the fact that I did not take Latin. Occasionally, my family makes fun of me for being such a nerd, but through those activities, I learned the value of teamwork, of accepting others and allowing myself to be accepted by strangers. I learned that serving my surrounding community was fun and fulfilling. As time went on I grew and made lasting friendships that I still hold dear 45 years later.

Today, I am the Executive Director of a human service organization called Neighborhood House in Rochester, which serves over 3,200 households residing in my community. With a staff of 12 and a dedicated base of 400 volunteers, we work together providing basic emergency services and self-sufficiency skills that will improve the lives of economically disadvantaged individuals living within our neighborhood. What I learned at Bishop Foley comes to life in my work every single day. I am comfortable welcoming the stranger and joining with others to solve complex problems. I am able to ask for help and I am happy to be of service so my efforts can contribute to the overall health of our area. At Neighborhood House, our "corporate" goal is to help make the lives of our neighbors in need complete. We want to help our visitors grow strong and independent, as I did at Bishop Foley.

Thank you to the committee that chose me to represent the Distinguished Alumni of Bishop Foley this year. During all these years, many graduates have distinguished themselves in hundreds of ways. I appreciate the opportunity to share the lasting bond I feel toward the Class of '72 and how my experiences at Bishop Foley continue to impact me and many people who live right down the road from 32000 Campbell. I am very grateful for what I learned at Bishop Foley High School and for this honor.

## Foley Alumna Committed to Being a Servant Leader

Bishop Foley Catholic alumna, Laurel Krause '18, is an inspiration and testament to our Catholic faith. Last summer she volunteered for an international service trip to Costa Rica with Global Leadership Adventures. The program seeks teenagers across the United States and matches them to various programs overseas. Laurel traveled by herself for this travel abroad program and was matched with a girl from North Carolina as her roommate. That takes courage to do at such a young age!

She initially learned about the organization from her sister, Marianne. "After my older sister returned from Costa Rica a few years ago, she raved about her experience with Global Leadership Adventure. I figured it would be an excellent way to learn more about myself and an opportunity to travel abroad," Krause stated.

The non-profit organization offered a few options for the type of service project she preferred. Considering Laurel has an athletic background, she selected the Sports Adventure program in Costa Rica. What was so fitting is that this former Foley soccer player was assigned to help clean up a recreation area, which happened to be a soccer field. During the day, volunteers helped paint trash cans and the recreation site name on the scoreboard.

They also painted a mural with children playing soccer on the bleachers. During her stay, she interacted with 10 fellow volunteers, three leaders from the organization, and members from the Costa Rican community. While at the job site, there was limited transportation. Each day they had to walk to and from the work site and afternoon activities. She stated that they probably walked around 10 miles each day.

In addition to service hours, the volunteers had an opportunity to explore Costa Rica. Each day they had time permitted to learn more about the country's culture and enjoy recreational activities. A few of her favorite activities included surfing in the ocean and white water rafting. "The most memorable part of the trip was spending time with the local children, surfing and (eating) the amazing food. They also had the best coffee... no need to put any sugar or cream in it! If I had the opportunity, I would go back in a heartbeat," replied Krause.

As Christians we are called to help our neighbors and help those less fortunate. This includes helping people in our local community, nationwide, and internationally. This volunteer abroad trip has proven that Krause is a servant leader and committed to BFC's mission and identity. ♦

# From BFC Student TO INTERN

It has been a little over a year since Foley alumna, Jamie Schaller '17 was walking the hallways at Bishop Foley Catholic as a student, donning her school uniform and participating with the Key Club, Drama, and National Honor Society. Today, Jamie is pursuing a business degree at Oakland University and actively involved with campus life.

Even though Schaller had just completed her freshman year in college, this business major was eager to learn more about marketing and gain more hands-on experience. Because of her positive experience at Foley, she had an opportunity to do a summer marketing internship in the Advancement Office. This was a position that she embraced from day one. Her professionalism and dedication to Bishop Foley Catholic was refreshing. Jamie had a work ethic and devotion to her alma mater that resonated in all she did. During the internship, Jamie was given a variety of projects with a primary focus on business and marketing. Some of the tasks included: developing social media content, creating strategies to market the spirit shop, working on refreshing and updating the website, researching stories for the Voice of the Venture magazine, and developing an Instagram account for the school.

Schaller's Foley experience has truly come full circle. As a student, she saw the educational side of a school. Now with her experience in the Advancement Office, she has another perspective of Bishop Foley Catholic. "It is cool to see the business side of the school," Schaller indicated. When asked about the most valuable experience she has gained up to this point, she explained that it truly takes being part of a team to develop a solid plan.

It is our mission at Bishop Foley Catholic to accompany students on their individual academic journey to become servant leaders in an environment that fosters growth, opportunity, and success in preparation for college and beyond. Here at Bishop Foley Catholic that academic journey doesn't end when our students graduate. Each student is a gift, and as much as we would like to think we taught Jamie during this experience, she in turn provided growth and advancement to our department that we are truly thankful for. ♦

## MEDICAL MENTORS NEEDED

**Mentoring  
in Medicine**

We are looking for graduates in the medical field who would be willing to help BFC graduates who are seeking medical experience through providing shadowing, experience, advice to students pursuing the medical field. If you are in the medical field and would be willing to help a fellow venture, please visit the alumni section of our website and click on the Medical Mentor tab. This information will not be displayed on a public domain. ♦

## A Note from the Alumni Board Chair

Dear Foley Alumnus,

My name is Aaron Sohaski (Class of 2007), and I am honored to be your 2018-2019 Bishop Foley Catholic High School Alumni Board Chair. The Mission of this Board is to promote alumni support and involvement, as well as assist the Advancement Department in reaching its departmental goals. I am happy to report that we have kept true to our Mission. By this, I mean that we have developed several effective programs to meet the needs of our growing alumni base.

In 2016, we set out to create the Alumni Legacy Scholarship, and we are excited that we reached our goal this year. This Scholarship will be available for an incoming freshman during the 2019-2020 Academic Year. The student will receive \$500 towards tuition during each year of attendance, and will be selected not only for their academic achievements, but what they admire in their Foley alum parent/grandparent, and why they want to continue their legacy by attending BFC.

Additionally, we have engaged our new alums by sending them a hand-written note from an alumni board member shortly after graduation. We also instituted the "Taste of Foley" program, which offers families the opportunity to send a care package of Foley cookies, along with a personalized note, to their recent grad during their first week of college exams.

Very importantly, we want to engage our future alums while they are still attending Foley. That's why during the first and fourth quarters, the alumni board provides breakfast to graduating seniors, giving us a forum to tell them how they can stay engaged after they graduate, along with the benefits of remaining active alums.

If you have other ideas on how we can better engage our alumni base, please email me directly at [sohaskia@gmail.com](mailto:sohaskia@gmail.com). I would love to hear your ideas, comments, and suggestions. Thanks!

Sincerely,

*Aaron P. Sohaski*

## Recent Reunions

### Class of 1988 – 30 year reunion

The Class of '88 hosted their 30 year reunion on Saturday, August 18, 2018 at Red Ox Tavern in Auburn Hills. The event featured appetizers, a champagne toast, and plenty of catching up between friends! Thank you to Jenne Pillars, Jessica Roman, and all who helped plan such a wonderful event!

### Class of 1978 –

### 40 year reunion

The Class of '78 held their 40 year reunion during the weekend of August 31, 2018. On Friday, August 31st, there was a golf scramble, followed by food and drinks. On Saturday, September 1st, members of the Class of '78 met up at Tooraloo Bar in Rochester for drinks, food and fellowship! Thank you to Michealene Risley, and all who helped put together this fun weekend!

Interested in planning a reunion? Contact Michele Colosi ('99) at [colosi@bishopfoley.org](mailto:colosi@bishopfoley.org).
